## Options

Vinyl Cover  
Hinged Lid With Thermometer  
1/4" Plate Griddle  
Solid Tires  
30 or 40 lb. Propane Tank

This unit is gas-fired. A 30 lb. tank will do approximately 10 hours of cooking with 3 burners on high.

Meadow Creek Welding uses only food-grade T304 stainless steel in the fabrication of parts identified as "stainless steel" that will contact food under normal use. This includes, but is not limited to grates, racks, shelving, work surfaces, and complete units constructed primarily of stainless steel and sold using that description.
